## What You'll Need

- Pair of dice.
- Scissors, to cut apart the question cards.
- An open mind.

## Let's Talk Game Directions

1. Roll dice, and then move your game piece by the number you see on the dice.
2. If the game piece lands on a green square: **Adult**, pick a card from the stack labeled "Adult," and ask the child the question on the card.
3. If the game piece lands on the yellow square: **Child**, pick a card from the stack labeled "Child," and ask the adult the question on the card.
4. You can play the game until the game piece reaches the last square at the end, or stop and have a conversation whenever you want!

**Remember, there are no losers in this game. Give yourself a pat on the back for participating in this activity, and we hope it helps you get a conversation started that you can continue, even after the game is over!**
